Dear Keith,

1 Thanks for this reassurance re Eviction Protocol Conference.

16 November is now the favoured date - incase there are many questions re eviction procedure and the conduct of Constant bailiffs which you would like us to put to Basildon (and have on record ahead of the JR)

2 I know you are up to your neck - and we can wait a while before challenging Basildon over their refusal to accept the Joint Homeless Application, as long as we don't go "out of time" on this.

3 Meanwhile we have had the following letter from Basildon: #yiv765770528

Dear Mrs McCarthy

As the High Court has now confirmed a date for the Judicial Review hearing for Dale Farm, in accordance with the Council's procedures we will be updating and reconsidering the Development Control and Traffic Management's decision to seek compliance with outstanding enforcement notices.

The Council is under a duty to gather up to date personal circumstances. The Council would like to meet with yourself and Mr Richard Sheridan to discuss the best way for the Council to get the most up to date and accurate personal circumstances.

The Council is happy to arrange a meeting here at the Council offices or elsewhere if that would be more convenient to you.

I look forward to hearing from you.

Thanks
Carla
